

ZK9500

USB Fingerprint Scanner

Perfect design and
powerful performance

Overview

ZK9500, a latest optical fingerprint scanner, is developed by ZKTeco. It supports fingerprint detection and captures fingerprint image fast, with high resolution. The product is tiny in size and easy to perform fingerprint registration on the desktop. Low power consumption, it can be applied to Android tablet and mobile phone. We provide SDKs for customers to develop their own applications.

Features

- Support fingerprint detection function
- Quick scanning of fingerprint on dry, wet or rough fingertips
- Available SDK for development
- High Speed USB 2.0
- Work reliably under extreme lighting condition such as direct sunlight or dim light
